Young Mary

St Mary MacKillop was determined, compassionate and steadfast even as a child. This play introduces us to *Young Mary* and we participate in her many fun filled and spirited childhood adventures. We have lots of fun playing games with Mary, and hearing about her pet cow Blorac and her dad Alexander. Then, as she grows, we bear witness to the determination of a hard working young woman who sets out to eliminate poverty and provide a fair education for all.

The play is funny and entertaining and involves the audience in lots of acting and moral decision making. *Young Mary's* humour and compassion helps the audience enjoy and understand St Mary MacKillop, whilst appreciating her famous quote;

“Never see a need without doing something about it”.
